Support HB26-1087: Safeguard Minors from Sex-Altering Interventions

WHY THIS MATTERS

Contact your state legislators and urge them to vote YES on HB26-1087 to protect Colorado minors from irreversible medical interventions.

TALKING POINTS

- Children lack the developmental maturity to consent to permanent, life-altering procedures.
- The bill requires long-term psychological support and age-appropriate care.
- Voters across the political spectrum support age-based safeguards for minors.
